Eon is a Partner at the firm, serving as an esteemed member of the Management Committee. With an exceptional focus on leveraging opportunities and achieving outstanding outcomes, Eon's practice encompasses the full spectrum of real estate transactions, seamlessly bridging both commercial and residential sectors. Additionally, Eon's expertise extends to real estate financing, where he navigates complex commercial lending transactions and leasing agreements.

Moreover, Eon possesses a unique proficiency in public finance transactions, most notably in Industrial Development Agency (IDA) bond financing and straight lease transactions. In this capacity, he represents developers and property owners, enabling them to effortlessly secure PILOTs (real property tax abatements) alongside coveted sales tax and mortgage tax exemptions. This remarkable aptitude for IDA transactions has solidified Eon's position as a true industry leader.

Eon's unwavering commitment to the betterment of society is conveyed through his exceptional representation of numerous non-profit organizations. By expertly navigating real estate transactions, real estate financing, and other corporate matters, he empowers these invaluable organizations to achieve their missions and make a lasting impact. Furthermore, Eon consistently delivers unparalleled results for companies, organizations, and businesses across a wide array of corporate transactions. From facilitating seamless formations and robust governance structures to negotiating employment agreements and fostering prosperous joint ventures. Eon's proficiency in diverse corporate matters ensures that his clients are well-equipped for continued success.
